January 2009 Volume 12 Issue 1

Planning a wedding is no easy task, but the second time around should always result in the perfect celebration for the two of you. This happy bride wears a four-ply silk gown embellished with french guipere lace, designed by Brooks Ltd. to skim the body. Covered with a delicate silk organza hand-embroidered jacket, each piece is finished with exquisite detailing. Photo: Fabio Cardoso, [www.fabiophoto.com](http://www.fabiophoto.com)
